

To,
Training and Placement Officer
JMIT, Radaur

10.04.2015

Respected Sir,,

This is with regard to the training proposal forwarded by Ducat for JMIT, Radaur. Ducat has pioneered the skill development training programs for the past 15 years with sheer knowledge and aplomb. We are looking forward to build a long term relationship with your Institution. Thus, in that view we would like to bring forth our proposal for in-house training in your premises for 90-100 Hrs (40 Days). in Computer Science technologies/ Mechanical Technologies. We have a pool of highly qualified technical consultants working with us. The training programs traverse through all dimensions of the technology. And our consultant's endeavors are to have a problem solving approach. The training program would be interactive one with a project base to let students get insight of the subject. Also, we help our students at every step hence after the completion of their training. Ducat will assist them with their placements also. Here, we are sending you the details of the fee structure attached with this mail. We hope that you would give us an opportunity to deliver our services as soon as possible.

Thank You

Regards
Anandita Sharma
Sr. Business Development Executive

To
Head- Training & Placement

Dear Sir/Madam,

This is to bring to your kind notice that DUCAT is into three major segments:

1. **Training (Project Based):** - We provide project based training on various latest and upcoming technologies like J2EE, .NET 2008, Embedded System, ERP, IBM Mainframe, Data Warehousing, Linux, SAS, PHP etc.

Corporate Training: - At Ducat, we provide corporate education and custom-content training solutions to some of the India's largest private and public sector organizations. We serve our clients in various sectors such as information technology, education, professional services etc. We are corporate trainer for **STERIA (XANSA), HCL, Sky Workz, Outworx, Green Ply, Unipatch Rubbers, SDG, Birla Soft, Perrot systems, Oracle** and many other leading companies.

2. **Development:** - We have created custom based software and web based solutions for many different types of businesses. Some examples of the web based solutions developed by us are **www.noidapolice.com, www.classicsofindia.com, www.amarsinghonline.com, www.bareillypolice.com, www.viewsonnews.in, www.akbari.in, KMVN, TEXPROICIAL, DMS PRO V.01 (DUCAT), Helpdesk 3.01 for Globus Clothing (Tata Venture) & PMS (Procurement Management System (Dalmiya Construction).**
3. **Consultancy:** - DUCAT is a global consulting and technology services company specializing in industry-specific solutions, strategic outsourcing and integration services. Our consultancy and manpower supply services are an added advantage for our students.

Ducat is specialized in imparting different types of training according to the needs of the Institute and students, namely

- **4-6 WEEKS TRAINING**

Students undergo training on latest technologies at college campus (onsite) or at Ducat Campus (offsite). Students are given real time exposure on **LIVE Project** which helps them gain in-depth knowledge of the technology.

- **6 MONTHS PROJECT BASED TRAINING**

Students in final year are worried about placement during 6months training. **Our Training-Cum-Placement Program** is a process which starts with training based on live project and moves along the path of preparing the trainees for Interviews with the help of Industry Experts (Technical, Aptitude, and HR Interviews) and finally getting them placed with reputed MNC's and IT companies with the help of our Consultancy Division.

We also provide customized training according to the requirement of the Institute / college and students.
